Pete is survived by his wife Christine and children Donovan and Shauna

A Tribute to Pete

April 24, 2010

Pete was an amazing man who had an inexhaustible zest for all of his life. He was a great husband, father, brother, relative, neighbor, volunteer and friend. He shared that zest for living with you and each of us in unique ways.

We all know Pete developed a bond with running at a very early age. He told me often that as a child he had Mendon Ponds Park in his back yard and loved running the trails. He created such a strong bond and love for running that he embraced it in everything he did. He shared his love for running in so many different ways and it was contagious. No doubt, outside of his family, it was his life. He made running his great adventure and purpose for living and he dragged most of us along with him . . . for which we are forever grateful. Indeed he was our “Pied Piper.”

Pete helped to lead and revitalize running in Rochester and was part of a national movement to have Clubs develop our next generation of Olympians. He set the standard high as an accomplished runner himself and organized many events that people still rave about. His humor enamored us, his tireless energy and work ethic just made things happen. Today we need committees to do what he did. Often he organized things single handedly with little or any fanfare.

The “Run for Pete’s Sake” organized by Roger Janezic and friends was so very special for Pete and for all of us. I was glad that everyone was so gracious in letting us do it. I am so glad that Pete was able to see and hear directly from so many friends about the impact he had on their lives. I will always remember that day.

We will miss Pete’s sense of humor but will laugh as we tell stories about him. We will see and feel his smile and boundless energy as we plan our next big event. We will keep him in our hearts and make him proud of our future accomplishments as we race the good race knowing he is watching. Pete gave me the opportunity to be the coach of this awesome group of runners and I will be forever grateful. Indeed, I will honor Pete forever.

Pete Glavin

1962-2010

MARK LAYLAND

York Central High School- 1982
